What's Been Happening: After graduating from UW-L, I taught school and coached swimming and diving for five years in Minneapolis. From there I went to The Ohio State University where I completed my doctorate. I am currently the Director of the National Research Institute for College Recreational Sports & Wellness. In the early 90's I competed in Triathlons and qualified for the World Championship Team in 1992. My leisure time is spent with my husband and son and usually involves some type of physical activity, such as running, swimming, biking, or playing tennis.

What's Been Happening: They say you have at least 4-5 career changes in a lifetime. Well I'm on #4. Did the broadcast journalist thing, then corporate media relations, then media/public relations consultant and now I'm a registered nurse!! Married at age 40, two stepchildren and an adopted daughter from Russia who is now 10. Living in the western border of Alaska. And looking forward to retiring with my husband at a lake house in Wisconsin. Still keep in touch with many of friends from UW-L.

What's Been Happening: I became employed with the State of Wisconsin immediately following graduation from UW-L as a Recreation Therapist for 8 years. Since then I have moved around different state government professions in the Madison area. I was married for 24 years. I'm living in Madison and enjoying all it has to offer. Go Badgers! So many fond memories of college days. I keep saying they were the best days of my life and I would do them all over again in a heartbeat! Oktoberfest, Old Style brewery tours, the Cellar, 3rd street, Diggers, Howies, the bluffs, the river, Angel Hall and 7th and Vine will always hold a special place in the history of mine!

What's Been Happening: I have been on the Chicago Police Department for the past 20 years. I have been assigned to District Tactical Teams, Narcotic Section, Cook County States Attorney Narcotic Task Force, Narcotic High Risk Unit Team, Special Operations Section Swat Team. I am currently a Sergeant on The Swat Team, we have a 70 man team with 4 Sergeants assigned. We respond to all Hostage, Bank Robbery, Terrorist and Gang assignments. We execute all High Risk Search Warrants for other CPD units. I have spent 2 weeks in New York after 9-11 and 3 weeks in New Orleans after Hurricane Katrina. I am married to my wife Julie (Casta) who is from Minocqua, WI and attended UW Eau Claire, we have been married for 28 years. Our family is our pets, we have a Rottweiler (Ruger) and a cat (Alice). When I am not working, I spend my free time Bass Fishing in Tournaments throughout Illinois and surrounding states.

What's Been Happening: With so many fond memories during my UWL days it's difficult for me to focus on just one or two. Suffice it to say, that the four years spent at the University of La Crosse were some of the most fun filled experiences of my youth. Oh, how it would be fun to turn back the clock to those days once again if only for a day or two. Friends, classes, professors, parties, and the experience of being, for the first time on my own, were, for me, amongst the greatest benefits of attending UWL. Since graduating in 1979 I married Mary Rudolph (also a UWL grad) and in 1984 while living in Rockford, IL, we were blessed with our first child. Since that time we've moved to the Twin Cities and were once again blessed by the addition of 4 additional children. As for work, Mary picked up her Masters Degree from the University of Minnesota in Community Health Administration and is currently an at home mom and home educator. I worked in the Parks Administration area for two years and used that experience as a springboard to get into the Investment Management Business with Robert W. Baird and Co. 1981. After 28 years and counting in the investment management business, working at several different firms, I recently opted out of the bureaucracy that comes with partnering with large firms to become an independent with a regional firm in the Twin Cities. Thank you UWL for all the doors.

What's Been Happening: Teaching and coaching for 31 years. 29 at DC Everest. Teaching AP US History and AP US Government. Coaching girls cross country and girls track. State champion teams in 1991 and 1999 in girls track. Coached state champions in 9 of the 18 events and have had state medal winners in 17 of the 18 events over the years. In cross country 5 conference champion teams and have had state qualifiers teams or individuals in 12 seasons. It is nice to go back to La Crosse for the state track meet every year. The place has changed, but still seems the same. My daughter Erin is working in Phoenix, Arizona at Children's Hospital in the newborn section and my stepdaughter Haley just got hired to teach 6th grade in Monroe, WI. My wife Kathy works at the Woodson YMCA in Wausau, WI as the program and membership director. Life is great and very busy.

What's Been Happening: When I left UW-L I was very fortunate to get a PE teaching job right away following my internship at Weston HS in Cazewon. I taught PE at Weston for 16 wonderful years and also coached football, wrestling and baseball and was AD for 13 years. I would have to thank Professor Judy Pace the most for helping me really be ready for the teaching career but was encouraged to enter administration which I did in 1995 when I accepted the principal's job at Bruce High School where I have been ever since. The superintendent (Bruce Lemery) who hired me at Weston, also hired me at Bruce before dying of cancer. He was a very special friend and crucial mentor in my adult life. I owe him more gratitude than anyone. I am now entering my 14 year here at Bruce and my 30th overall in education. I am still a head baseball coach, also my 30th year and I thank Bill Terry for all he taught me at UW-L. He was an awesome coach and person and kept my love for the game of baseball ongoing. What's Been Happening: Since leaving UW-LaCrosse in Aug. of 1979, I have been through many life changes. I started working at the YMCA in Springfield, Illinois using my college degree, and upon deciding that I didn't want that any more moved on to work for the Illinois General Assembly in an administrative way. I continued working for the General Assembly and in 2004 I moved north to Gurnee, IL where I worked specifically for one Illinois State Representative. From here I went to work for Motorola, working in several of their many groups. After attending my 25th high school class reunion in 2000 I re-met a classmate and remained in 2001 moving my 2 sons and myself to Lewiston, NY. Here I worked for a market research company and after leaving there I have decided to become a substitute teacher in our school district. I have found dealing with children very interesting. Since moving to Lewiston, I have had the opportunity to see many different parts of the world. Some of the places I have been are Canada, England, France, Germany and Singapore.

What's Been Happening: While much has happened since my days at UW-L., some of my best memories are from the time spent there. I am married with two 13-year-old daughters! They keep us busy with athletic activities, band and volunteering at the local animal shelter. We are also active with our local church. I have worked in City government (Adams, WI, Dallas, TX and currently Fort Worth, TX) for the majority of my career and find time to volunteer with Girl Scouts and PTA. We own property in the Quachita National Forest in Oklahoma and hope to retire there in about 8 years. Some of my fondest memories are from playing in the band and just enjoying all that LaCrosse has to offer.

What's Been Happening: Entering my 15th year as a Health and Physical Education teacher at Longview Middle School in La Crosse. This will be my 11th season as head men's Cross Country coach at UW-La Crosse. Last year during the 2008 Track season I served as interim head men's Track & Field coach at UW-La Crosse. This spring will mark my 18th season as a volunteer assistant coach with the track program.

What's Been Happening: Since my graduation in 1980, I've been living and working in Madison, WI. I recently with Kraft Foods as a cost analyst. My husband and I employed celebrated our 25th wedding anniversary and we have four children - all currently attending colleges in Wisconsin. Every year a large group of us take a road trip to La Crosse for Oktoberfest. It's a great chance to see others, walk around the campus and take in the beauty of the city.

What's Been Happening: Recently, while flipping through my college years scrapbook, I reflected that it looked like I was an organized mind type of student. I saved various memorabilia and snapshots that made up my experiences at UW. From my acceptance letter schedules, fee statements (the balances totaled: \$732.50) to graduation. What I sometimes find humorous now is this: "where I am" card that was put on my dorm door. Back then I took interest in noting locations and activities in a clever little way. For example: "In the library studying or doing some outside reading in a magazine or newspaper. Back in a while. 'To the smplier. 'I, in please disst. Friends are Welcome" (the "options" were marked with a special chocolate!) Today, I continue to enjoy scrapbooking. And since 1989, have completed five three-ring binders just from my annual trek to the Minnesota State Fair. I hope to attend many more as I enjoy keepsaking parts of the past.

What's Been Happening: I was a refugee from Viet Nam in 1975, with my family (wife and 3 children). I was fortunate to be able start working for the Trane Company in the same year. Later on, I was accepted into the University of Wisconsin - La Crosse MBA program while working and graduated in 1980. I retired from Trane in the year 2000. My family had grown up to 5 children (with the 4th and 5th grandchild). We are grateful to the American people and to the people of La Crosse in particular, for their generosity and warmth in accepting us among their midst. We are also thankful to the US Armed Forces. Without their sacrifices, we would not enjoy our freedom and happiness in pursuit of the American dream.

What's Been Happening: I'm beginning my 29th year in music education, 25 in the Waukegan, WI School District. I've been married for 24 years, no kids. I graduated from the University where I earned my Masters in Music in 1999 from Western Michigan University where I was a professor. I received an O'Hearn was the Music Department Chair. I also earned a certification in Educational Administration/Director of Instruction in 2002 and was an associate principal at Lodi High School for one year before returning to teaching instrumental music at Waukegan. I've spent the past 3 summers traveling to Montana to take family roots, visit relatives and for professional development. I'm considering relocating or retiring one day in Montana. I play saxophone in a Madison-area big band, "All That Jazz" and am also the director of an instrumental ensemble at First Presbyterian Church of Waukegan. I continue to stay connected with UW-L by returning to the annual Jazz Fest in January as often as possible and have former students studying music at UW-L as well.

What's Been Happening: Since leaving UW-L, I have taught P.E. and coached in the states of Oklahoma, Kansas, and North Carolina. At the University of Kansas, I received my Masters Degree in Sports Sociology and Sports Administration. After teaching and coaching in North Carolina for 12 years, I completed my Principal Certificate from the University of North Carolina at Greensboro. I was an assistant principal at a middle school for 2 and a half years. I have been an elementary school principal for 8 years. I was fortunate to open a new green school in the fall of 2007. Our school is awesome! I have a dog named Zoey. She likes to come to school to play with the kids. Zoey and I love to walk and play frisbee. My favorite memories at UW-L are the times I spent with my volleyball teammates. I especially enjoyed giving freshmen swirles.

What's Been Happening: I have been working at the same company for over 25 years. My work has taken me throughout the southeast and as far away as Tierra del Fuego and Chile. My time is variously spent between the field and office. We perform environmental assessments for large and small clients from a few acres to more than 100,000. Since I am in the Orlando area, my free time is spent at theme parks or at the beach. Everything Florida is part of living here. It could not be better.

What's Been Happening: I am secretary/vice president for an excavating business which is in its 17th year of business. I have a husband, Dean who is President of the business and three children, Ben (24), Erin (23) and Bryan (20). Ben is employed by the company and will hopefully someday run our business. Erin graduated in wildlife ecology from UW Madison in 2007 and currently works at Covance in Madison. Bryan attends UW Stevens Point this year as a Junior and is majoring in geography and plays football for the Pointers. I encouraged my children to attend UW-L, so I wouldn't have to support so many colleges, but as you can see, I was unsuccessful. The important thing is they are doing what they want to do and are healthy and happy adults. I am involved in spirit traditions this summer with my daughter. We have spent time in four of them around Wisconsin and are keeping in shape while having a ball! I am trying to keep "the fountain of youth" alive as I turn 50 this year!

What's Been Happening: Hello UW! Alumni, Tom Brazill, December 1981 Graduate, Elm Education. Formerly of Fond du Lac, WI, I live in St. Louis, MO with my great wife and Meg, and my son Dillon, age 16. I work for a retail life and am fortunate to be healthy and happy. I work for Russell/Spalding Team Sports and the Director of Sales. I manage the Mid-South Team and love the position. Russell is part of Berkshire Hathaway family of brands. I enjoy music, my family, friends, politics and sports. Thanks to UW for giving me a terrific start in life. I often look back on the special friendships I made at UW LaCrosse and smile. It was very special to me. Best to you UW! Alumni! Tom

What's Been Happening: Jeff and I have been married for 22 years! We have 3 athletic, academic, talented daughters: Kain (tennis, track, cheer, ASB); 19, Saye (volleyball, swim, journalism); 18, Dana (country, soccer, track, honors); 16. My first 3 years out of college I taught elem. PE in Las Vegas! Moved to California in 1985. I have been teaching Special Education at the HS level in Orange County Department of Education for the past 20 years; at Irvine HS with autistic students for the past 7 years. I completed my educational administration credential, but...not sure I want to leave the classroom to be a principal, yet. I miss Wisconsin (yes winter too) but...California weather and beaches are so perfect...all year!

What's Been Happening: After my BS degree I worked at St. Anthony Hospital in Rockford, IL, then Charles T. Miller Hospital in St. Paul. I started at St. Francis in 1970 and have been in the laboratory for 39 years. I plan on retiring when I'm 65. I have a son, Mike Thrower, 30, and a daughter, Tanya Nelson, 37. I also have 4 grandchildren that I enjoy much. I am now married to Bill Irons and we enjoy traveling together. I still love reading, gardening and sewing. I also like kayaking, canoeing and hiking through the woods. I remember all the fun had at the student union paying cards, visiting with friends and studying together. Also 3rd street and frat parties but I won't go into details about that. Octoberfest was so much fun back then. Kathy Will Thrower Irons, class of '68 BS degree, class of '81 MSE degree

What's Been Happening: Since graduating from UW-L, I've had 24 years experience as a professional writer: technical (seven years), marketing communications (eight years), website content (six years), and freelance (15 years). I've acquired exceptional communication skills leveraged by working seven years in the IT industry, and 15 years in the travel and hospitality industries. Skills: Proficient in HTML, Adobe Acrobat, FrameMaker, and Photoshop; JavaScript, Microsoft Excel, PowerPoint, Visio Professional, and Word. Working knowledge of Flash and XML. Recently moved to Austin, TX with my husband of 10 years (Ron A. Messeri) and am really enjoying the cushy work-at-home life as a Web developer in the "music capital of the world"

What's Been Happening: I now work as the Director of the NDSU Bookstore in Fargo, ND., serving North Dakota State University. Our website is: www.ndsusbokstore.com.

Working on a college campus has really been a dream come true. The academic environment is always changing and exciting. The students are terrific. It's kept me young! I never hesitate to encourage anyone who is thinking of going to UW-L to make that move. It has actually been one of the best years I've spent in my life. I am particularly proud of the faculty and staff of the Political Science department. Joe Heim has been a mentor and a friend. I'll never forget the Political Science Association, Model UN, Soviet Seminar and the year-end banquet. Carol Miller, BS 1981

CLASS YEAR / BIOGRAPHICAL SECTION

St. we had to choose from! The fresh doughnuts at midnight from Mr. D's to soak up the night liquid refreshments. None of us can forget Granada's bluff, or the bar halfway up the bluff. I lived in Angel Hall for 2 years and was part of the 38ers. I then moved off campus with friends, Karen, Sandy and Deb. I got a great education and created a lot of memories.

What's Been Happening: Since graduating with a degree in Finance I have worked for two financial corporations in various leadership and project design positions. While I have only worked for two different companies over the past 27 years, I have been in both large corporations which afforded me the opportunity to live all over the country, as well as visiting several international destinations. I have been a "resident" in the following states since leaving WI: MN, IA, IN, IL, AZ, CA, and FL. I have spent time in both Europe and Asia. I have been married for 20 years and have a son (currently enrolled at the University of Central Florida), and a daughter who enters 8th grade this year.

What's Been Happening: Married to Kevin Ott 26 years. Moved to the Ozarks 12 years ago where we live on 40 acres overlooking lake Norfolk. Have 3 boys. Garrett graduated with a Business/Finance degree from the University of Arkansas-Fayetteville in the spring of 2007. This year he began and took law school during the orientation phase, realizing that law was not what he wanted. He owns the duplex he lives in (Fayetteville) and recently took a job at Arvest Bank as a Financial Sales Representative. Jaime is a drummer (look for his band, For Sale By Owner, on mspace) and is currently a sophomore at the University of Central Arkansas-Conway, where he is studying business. He plans to be a rock star, but will have a degree to fall back on (thank goodness) just in case. Forrest just began his freshman year in high school and is involved in Robotics, Drama, Quiz Bowl and Odyssey of the Mind. We own and operate a plumbing business. I do the books for our business and work part time at Bakerfield R-IV school where I am the Parents as Teachers Coordinator; I work with parents and their babies until the children go into kindergarten. Kevin is a Master Plumber and also works our cattle and sheep. We love the Ozarks and especially the lakes and rivers in our area. We have an enclosed boat dock where we "staycation" almost daily on the beautiful Lake Norfolk.

What's Been Happening: I met John ('80) over lunch in Whitney in the spring of '78 and we married in '81. We live just outside of Madison where we raised three daughters. I'm the State Director of WI Academic Decathlon and John is the HR Manager for the Douglas Stewart Co. Our middle daughter is a senior at UWL which has provided us with an excellent excuse to visit our old stomping grounds!

What's Been Happening: Since graduation I have been working as a physical therapist for Agnesian HealthCare in Fond du Lac, WI. I married Paul Dille in 1986 and we have 3 sons - Brett Jr., Bryce and Blane 16. Summers we spend as much time as we can at our cottage in the Wautoma area. Memories at UW include: purposely leaving the door to the anatomy lab open so that the odor would permeate the hallway and the teacher's lounge which was right next door in Cowley Hall; studying kidney function at the Cellular with Mr. Gould; the bluff; Popcorn Tivoli on Friday nights and then heading home to watch Dallas; and all the wonderful friends I made there.

What's Been Happening: I have been happily married for 16+ years now. Keith and I have 2 wonderful children together. Natalie is 15 yrs old and a sophomore in high school. Nick is 14 yrs old and in the 8th grade. I have had and continue in a successful career as a Registered Nurse for almost 20 years now. My current position is as a Utilization Review nurse. My life was changed forever back in my senior year at UW-La Crosse when I turned my life over to my Lord and Savior, Jesus Christ. I have been serving the Lord ever since. God has given me a peace that surpasses all understanding and has guarded my life all these years; He has brought me true happiness that I otherwise would not have ever found in anything else.

What's Been Happening: It is hard for me to believe that 26
 years has passed since graduating from La Crosse. Since
 that time, I've been married for 25 years, lived in 9 locations
 around the United States and have raised two daughters. One
 just graduated cum laude in broadcast journalism from North
 Central College in Naperville, Illinois and the other is starting
 her second year at Northern Arizona University in Flagstaff.
 I'm currently the Director of Development for the American
 Academy of Allergy, Asthma & Immunology in Milwaukee and
 been in non-profit fund development for twenty plus years. In
 my spare time, I enjoy gardening, traveling and golf.

What's Been Happening: I live in Beaver Dam, WI. I have been married to my wife Karen for the past 23 years. We have 2 wonderful children. Laura is a junior at Marian College. She is going there to be a registered nurse. My son Matt is a sophomore at UW-Milwaukee. I am in my 24th year of teaching. I started my career at Cambria. Then the next year I went to teach at my hometown grade school in Fox Lake. I coached football and basketball intramurals in Fox Lake for both the boys and girls for 15 years. I also coached my son's basketball and baseball teams for many years in Beaver Dam. I currently teach a split second and third grade class in Fox Lake. During the summer I still play softball with my son, wife, and nephews in a co-ed church league in Waupun. I managed our church team for 10 years and ran the league for 4 years. Now I give all of that responsibility to one of my nephews.

What's Been Happening: Living in Northern Wisconsin since I left UW. Been happy and I have been working hard to make a living and stay in this beautiful area. I am working multiple jobs, enjoying the variety that gives me. Two children are grown and doing their own thing away from home. Lots of hard work, but really enjoying the woods and lakes around us! I like visiting places and cities when I get the chance, the woods is where I'll always be HOME! Jean

What's Been Happening: After leaving UW in 1982, I was hired as a staff nuclear medicine technologist at Mayo Clinic in Rochester, MN. I am still working at Mayo and now supervise the nuclear medicine lab. I am married to Rita and have 2 children, Sarah and Bryce. Sarah is currently a junior at UW-L. I remember returning to UW with Sarah on freshman "move-in" day. It was great seeing the campus again...I think I was more excited than she was.

What's Been Happening: I have been in the commercial masonry construction profession since 1987, and while continuing my masonry project management career at A. Horn Inc. Mason Contractors in Barrington, Illinois, have also founded my own home-based company through which I provide contract estimating and consulting to masonry contractors and material manufacturers and distributors. My wife Susan (Ross) an '82 UW-Madison grad and native of La Crosse and I are coming up on 25 years married. We have been in suburban Chicago since 1983. We have five sons ages 8-19, and try to get back to La Crosse as often as our family schedule allows. I am astounded how much the campus has changed, and have many great memories of my time at UW-L (and at Central High, class of '78). I recently returned to La Crosse to attend a reunion dinner at the La Crosse American Legion Post 52, celebrating 70 years of baseball with old teammates on our 78 state championship team. I was also one of the eight umpires assigned to work the American Legion State Baseball Tournament in La Crosse, the first held there in decades. I remain active in coaching my kids in their athletic endeavors, play some competitive golf, and umpire a full spring/summer schedule of high school and Division II and III college baseball while trying to amass the funds to get five children through their educations.

What's Been Happening: Since graduating from UW, my life has been a series of adventures. Currently, my wife Lori and I live in a beautiful home in Milwaukee that we share with our canine and feline companions. Lori is working in interior design and occasionally uses our career experiences to venture into varying project areas. I made the switch from Sports Medicine 20 years ago and have since enjoyed dual careers in the Fire/EMS arena as well as in the Army National Guard. I have very fond memories of UW and try to stay in touch with my fellow classmates when I can. If you remember me, and it has been some time since we spoke with each other, please drop a line.

What's Been Happening: Over the past twenty two years I've been a health care executive at the teaching hospitals for the University of Cincinnati, Tulane University in New Orleans, University of Minnesota Medical Center-Fairview in Minneapolis, and the University of Virginia in Charlottesville. Last year I moved to Madison to become the Senior Vice President and Chief Operating Officer of the University of Wisconsin Hospital and Clinics. I have also enjoyed teaching health care management at these universities and international work related to quality improvement and management development and education. I have a six year old son, Evan, who keeps me laughing and shares my love of travel.

What's Been Happening: I have many treasured memories from UW-L. I use my UW-L accounting degree plus CPA/CFA/CFPA licenses as the Chief Operating Officer at Bank First National in Manitowoc WI. My wife, Jeanne, works as a Senior Cost Accountant at Thermal Fisher in Two Rivers. Our oldest son, Brian, graduated from UW-Stevens Point in May. He will be teaching and coaching in the Denmark School District. Kevin will be a senior at UW-Whitewater and is doing pancreatic cancer research. Our youngest daughter, Julie, attends UW-Green Bay and will be playing on their basketball team. We look forward to traveling around the USA to see all the games.

What's Been Happening: Earned a Masters of Public Administration degree from UW Milwaukee in 1987. Employed with Waukesha County since 1985 and currently in the position of Business Manager for the Department of Public Works. I have two boys, one is currently a sophomore at UW LaCrosse and the other a senior at Waukesha South High School. His plans are to apply to UWL. I am actively involved in many community organizations including the Waukesha Education Foundation; Interfaith Senior Programs; St. Matthias Episcopal Church; the Boy Scouts of America; and the local schools. I was both humbled and honored with being selected as the Waukesha County Citizen of the Year in 2007. In my spare time I enjoy quilting, pottery, exercise and reading. Visits back to UWL bring back great memories and I'm glad my son is having as much fun there as I did.

What's Been Happening: My life has been busy with work, family and hobbies. I continue to work in long-term care as the Director of Activities. Long-term care has undergone changes over the years so there is always something new and challenging to learn. I married Mike Duerst in 1992 and we have two boys, Grant and Spencer. They are teenagers and doing well. I am learning to drive and Spencer continues with tutoring two days a week for his Dyslexia. Both are very bright and wonderful. My current hobby is jewelry making. I am making necklaces, earrings and bracelets. I have also been making greeting cards for several years and trade them with people all over the world. This is an very interesting on-line hobby. I also keep busy with the regional and state activity professional organizations. I attend monthly meetings and have held various positions over the years. My dad passed away in 2007 and my mom came to live with us for a few months, but she is back home in Lancaster at the present time. She recently had surgery and is recovering nicely from it. It has been a challenging year for us all, but things happen for a reason and with time that becomes more and more apparent. I don't get back to La Crosse, but do look at the quarterly publications and the e-mails. It is wonderful to see all the new buildings.

What's Been Happening: Life after La Crosse - 25 years, has it really been that long? Graduated, married, Jamie and worked as a Physical Therapist in an orthopedic/sports medicine setting. After having 4 children I stopped working to stay home full time. Now that I have my two oldest children in college at UW-Madison, I am taking courses to reenter the PT world again. Jamie has been with the same company - Melavante for 25 years. We have a cabin up north that we love spending time with family/friends. Life is very good and we are blessed. I did have a fun recent memory of La Crosse. The last time the Milwaukee Brewers were in the playoffs was 26 years ago when I was a senior in college. We would be in PT class and many of us had a hard time concentrating during class since several guys in our class (Mark Erickson, John Bassetto, and Mark Glendenning) would have their "transistor" radios glued to their ears listening to the game. They were updating all of us in class to the score but trying not to have our instructors know what they were doing. I loved college at La Crosse and hoping our 2nd daughter will want to attend here.

What's Been Happening: I am a chicken farmer! My wife calls me the alpha chicken. I am so proud! But I first did some other stuff. I taught full time for 19 years in Milwaukee's inner city. I have a beautiful wife, three step daughters, a dog, cat, fish, and a goat. We just started alpaca farming and substitute teach in Kettle Moraine and Waukesha. There's many of you I would like to get together with again. Not Chernak though. I see him a few times a year. I get hung over just thinking about it.

What's Been Happening: I went back to school as an "older returning adult" and finished pharmacy school in 1997. I've worked in the field since that time. My youngest daughter graduated from high school this year, and will be a freshman at UW-La Crosse, where her sister will be a senior. Those dorms don't look any different than they did when I was there!

What's Been Happening: The daughter who was born on graduation day is teaching literacy in Oakland, CA and her little brother is an environmental educator near Madison, WI. My profession is a multiple mix of assistant to the sustainability committee to cut carbon emissions and assistant to the grants department at Winona State. I've been a planner and grant writer for the Ho-Chunk Nation, as well as Western Dayland Economic Opportunity Council, and am selling amounts of prairie seeds for sand prairie/oak barrens. Still writing poetry and making both ceramic and textile art. Life is always re-creating itself but still there are constants always. All the best to everyone!

What's Been Happening: Susie Wollin and I met at UW in Fall 1977. She was a "Hutch Honey" and I was one of the "Rowdy Star Floor Guys" from White Hall. After about 3 1/2 years we married then finished our degrees. Sue came in 1981 and me in 1983. We settled in Lombard, IL '84-'86 and came back to WI where we're retired in Burlington the last 22 years. Our oldest daughter, Alyssa, graduated from UW in 2007 (proud dad for Mom & Dad) and was working in Rec. Mgmt. field in IN and now in WY. Our son, Andy, is a Soph. attending UW-Milwaukee studying Business. Our younger daughter, Becca, is finishing high school and will select a college in WI or MN in 2009. Sue has worked part-time while being the "primary caregiver" for our children. I've managed to spend the last 17 years in sales with the Swiss "Life Science" company, LANZA. Prior to that I was with Hormel Foods and The Goldschmidt Chemical for 2 & 5 years respectively. We stay in touch with many of our UW friends and enjoy getting together as our busy lives allow. The UW experience has been such a significant impact in our lives & will remain near and dear to our hearts. It is now real to see our children develop their own college decisions and experiences...Just to think that our most important life experiences can all be attributed to an introduction at Hutch Hall over 30 years ago to the "pretty girl" who became my wife is remarkable!

What's Been Happening: Through the recommendation of a good friend, I have lived in Wausau, WI since 1985. I got married in 1993 and had my first and only child, a son named Cooper, in 1995. I have since been amicably divorced since 2007. I have worked in various occupations throughout the years, though never really pursuing a full-time teaching position. (Still a possibility I suppose.) I currently work at Barnes & Noble in Wausau which allows me to spend as much time as I want or need with my son. I still enjoy being active coaching Little League, playing volleyball, golfing, fishing, and bowling. In my quiet times, I'm a voracious reader.

What's Been Happening: After graduation, I went to New England to attend a Master's P.E. Health, and coached. I completed a Masters in Education with a focus on Health Promotion and Wellness Mgmt. I was a Health Educator on an NH stop smoking project for women and created education and counseling protocol. I left public education in 1995 and entered the spinal health world where I was a manager and trainer for 13 years. This job led me all over the country where I had the opportunity to live in many wonderful cities. I trained as a Life and Relationship Coach and have maintained a part-time private practice for 8 years. Check out my web site at www.marlenemier.com. This May, I was offered a position with The Health and Wellness Institute as a Health Coach and am currently working in North East Iowa. I am passionate about supporting people in creating healthy, happy lives in I welcome the opportunity to connect with anyone still in the area.

What's Been Happening: Since graduating from UW-La Crosse, I have taught mathematics and computer science for 24 years at the Richard Center High School in Richard Center, WI. In addition to teaching, I have coached volleyball, softball and track. In 1987, I was part of the coaching staff when we won our first state championship in volleyball. In 1990, my softball team was reserve state champions. After taking a break from coaching to raise three children, I began coaching again in 2001. My family consists of my husband Kevin and three children. I also have one grandchild.

What's Been Happening: After my graduation from UW-L I entered the world of business in the automotive manufacturing field as a District Representative for Mazda Motor of America in southern California. After nearly ten years of the corporate world, including many moves throughout the country, I decided it was time to finally put my undergraduate degree to good use and applied to the School Guidance and Counseling graduate program at UW Stout. Halfway through the program I elected to dual certify in School Psychology as well. At 43 I received my Masters of Education degree in School Guidance and Counseling, as well my certification as a School Psychologist. This past Spring I also completed my Education Specialist degree in School Psychology also at UW Stout. I currently hold the position of Director of Special Education/School Psychologist in the Blair-Taylor School District in Blair, WI. Throughout these experiences my wife and three children have been extremely supportive. If it were not for these accomplishments could not have been possible.

What's Been Happening: In 1982, as president and managing partner, I put a new FM Stereo Radio Station on the air - WISQ-100. This was the culmination of about five years of work. In 1984 founded Mail Now Inc a direct mail advertising company, which distributed an envelope with coupons - Open and Save - to all households in La Crosse, Winona, Rochester and Eau Claire for about 20 years. I was president of the Great River Flyc Fest for nine years and Board Member for 11 years until 2001. Currently and for the past 15 years I have been a Jazz announcer Saturday afternoons on WLSU-89.9 here on campus. I am also involved with the History Department at UW-L in creating a spoken Jazz History of the Upper Mississippi River Valley including parts of Wisconsin, Minnesota and Iowa. Also I am a published photographer.

What's Been Happening: I have taught at Cashton Public Schools since August of 1987 as a K-12 art teacher. I am an active member of the Wisconsin Art Education Association and National Art Education Association as well as a lifetime member of the Wisconsin Garden Guild Association and the National Garden Association of the United States. I retired from the Wisconsin National Guard as a Lieutenant Colonel in July of 2005. My son and daughter attend Viroqua High School in Viroqua, WI. Ashley is involved in cross country, gymnastics and track. My husband, Dan, is a self-employed crop farmer. We enjoy the outdoors, hunting, movies and watching athletic events. We have been married for 20 years.

What's Been Happening: Much has happened in the 25 years since graduating from UW-L. After teaching Health and Phys. Ed. for almost 10 years, and going back to graduate school, I found myself out of a teaching job. I used that opportunity to get a job at CNN in Atlanta, where I stayed for 6 years. At age 40 I became a mother and moved back to Wisconsin. I am now in seminary and am working in Children's Ministry. My husband and I are both coaches with our local school district, and love living in Plymouth with our 7-year-old daughter.

What's Been Happening: Rick and I have been married for 25 years in 2008. Oldest daughter attended LaCrosse and majored in Nuclear Medicine Technology. She is working in Janesville. Second daughter is engaged and is currently living in Oklahoma City. Our son is also attending UW-L. We are undecided on a major at this time. We enjoy going back to LaCrosse to visit our kids. There have been some changes. We have lots of fond memories of the good old UW-L days.

What's Been Happening: Married to Mike, we have two children who will both be off to college this year, my daughter a senior and my son a freshman. I am still playing tennis as is my son who will play at Monmouth College this year. My daughter is pursuing music education (vocals) at Western Illinois University, a talent she must have inherited from her father. I earned a Masters Degree in Management and Organizational Behavior from Illinois Benedictine and have been working in the quirky little industry of corporate relocation for almost 20 years. My favorite times at UWL include a lot of tennis team memories. Our bus trips with Coach John Jolley who had a HORRIBLE sense of direction, going to sectionals and nationals, running up suicide hill, over and over again, John's chili, my doubles partners, my best friend and roommate, Cheryl. And, for my roommates, "It's Time for me to Fly".

What's Been Happening: I moved to Appleton in 1983 for a job as a nuclear medicine technologist at St. Elizabeth Hospital. I married David Van Grinsven in 1988. I left the world of paid employment when my daughter Rose was born in 1988. My daughter Joan was born in 1990. I remained a homemaker for many years. Then from 1997-2007, I worked part-time as a florist. I was always actively involved in my girls' schools: Girl Scout leader, room mom, PTA secretary, and much more. I am serving my third term as president of a parent booster club for the performing arts. For the past seven years, I have judged high school debate & forensics (competitive public speaking). Currently, I am again a homemaker enjoying my time with Joan before she leaves for college. Rose is at Knox College (class of 2010) in Galesburg, Illinois, majoring in elem. education. Joan will graduate high school in June 2009. Her choice of college has yet to be determined. In Autumn 2009, I plan to go back into healthcare and imaging in particular. Much has happened in 25 years. I would love to catch up with old friends from UWL, especially Alpha Phi Omega. Maybe I will see you at Oktoberfest!

What's Been Happening: He everyone! Life has been busy since I left UW. I'm Charles and I spent 17 years in California where he did Project Management and Cost Engineering for Construction Companies and then started his own company. As the company grew, we were able to move back to Charles's hometown in East Tennessee and kick back on the farm. We have several farms, raise beef cattle and enjoy our pet lamas, horses, dogs, etc. We also own East Tennessee tractor Supply in Nola, TN selling Massey Ferguson and other brands of tractors and equipment. I have been teaching in Public Schools for the last 14 years. Our son Nathan is now 20, graduated from TN Tech school in Auto Mechanics and is learning to run the Tractor Business. Our daughter Sarah is 19 and is an Interior Communications Electrician in the Navy.

What's Been Happening: I haven't stayed in touch with many alumni from UW-LA, except of course, my husband, Scott Graham! I also stay in touch with Kathy Aspelst Jensen. I worked a lot during college, so I wasn't active in much, but I remember I had work study in the Psych and Education Departments and had the best bosses there! These days I teach summer school, substitute teach, tutor, and work for a scoring center when they work for me. Our son, Chas, is going to Minnesota State University - Mankato to be a PE teacher.

What's Been Happening: I received my Masters from UW Eau Claire as a reading specialist. Gave passed away and I married Curt Marsh. I have two grandsons (belonging to Nicole and David Diehl-UWL graduate) and soon will have a granddaughter (of Jessica and Scotty Chambers). I work at Blair-Indian Elementary as a Title I reading and math specialist. This includes working on our After School Kids' A.S.K. program on Tue. & Thur. evenings to provide additional instruction to students so I have less time to go to Lakesville on Fridays to see my grandsons. Camping with Norm Schen for Science was one of my favorite UWL memories. He was brilliant but I don't know if I truly mist myself in the woods with a compass-maybe with the new GPS equipment I always loved Dr. Majak's class so I was happy to see her again for a reading class at UW Eau Claire

What's Been Happening: Since graduation I have lived in California (Sacramento & San Francisco) from '85-'95, Tulsa, OK '96, south Florida '97-'99. Since Feb. of 2000 I have lived in Carmel, IN a suburb of Indianapolis, with my wife (Dolores) of 19 years and two daughters, Erin (18) and Emily (14). In March of 2000 we purchased the rights to the Dollar & Thrifty Car Rental Franchise for central Indiana, which does about 20 million in annual sales and employs 75-100 people. I have great memories of my days at UW and would love to reconnect with some of the people I knew back then.

What's Been Happening: After graduating from college, oh so many years ago, I took a job with A.C. Nielsen Company which took me to Chicago and then Salt Lake City. After my then college sweetie, now husband, Bill Molbeck, graduated from UWL, I flew him out to Utah and he found a job in Reno which took us there. We married back home in Milwaukee, flew out to Reno and I started my new job at Allstate Insurance where I am currently working, now back in Milwaukee. I work part time raising three kids, my oldest is now off to UW Eau Claire, unbelievable how time flies. I have many fond memories of UWL, which are slowly coming back to life as I send my daughter to college.

What's Been Happening: Where should I start? My life has been exciting, challenging and most of all "very fulfilling." I am still in education - but have switched from physical education to special education. I moved to Colorado 24 years ago, and am still enjoying the beautiful mountains and exploring the west. I do miss Wisconsin (especially La Crosse), and still play with the idea of moving back "home." I have great memories of the cross country, basketball and track teams. I hope that everyone is doing well and I am proud to be a UW-LaCrosse graduate!

What's Been Happening: Hi Everyone. It's been 24 years

and a lot has happened. Currently I'm a pilot at Delta Air Lines

and fly internationally. I retired 2 years ago from the Air Force

Reserves in Milwaukee. I did spend a year in Iraq just before

retiring. My wife's name is Sara and I have 3 year old daughter

named Audrey. We are excited to be moving back to my

hometown of La Crosse in 2009 after the Delta/Northwest Air

Line merger takes place.

at a bilingual school in West Chicago. She loves teaching, and was glad to get back to it after taking 7 years off. I still run/bike, but by no means seriously. I did run both the Chicago & Twin Cities marathons a couple of years back. Since then I've been battling injuries. Getting old is tough. We welcome any of our old friends to feel free to look up if you're in the Chicago area, and hope you're all doing great.

What's Been Happening: Since graduation in 1984 I traveled through Europe with the Army. Gave birth to and raised a wonderful son. Worked writing news for a television station and several newspapers. Spent as much time as possible with family and friends. Since 2007 I've been back in school working towards a nursing degree.

What's Been Happening: I have lived in the Chicago area for 8 years (Western Suburb of Glen Ellyn). My wife Olelia & I are coming up on our 8th year of marriage. My wife is originally from Mexico, but has lived most of her life in the US. We have a fantastic 7 year old daughter, Xochil, who is entering the 2nd grade. My career is going well. I'm a broker of waste paper & recyclable commodities, and have moved as much as 40,000 tons in a month. I buy mostly in North America, and sell the commodities worldwide. I've been in this field over 20 years, which has included 6 moves to different cities. Now I'm to a point in my career where the moving is over, and my travel schedule is very reasonable. Olelia went back to teaching last year. She teaches 1st grade

WARD Mrs. Lisa (Lisa Geary); BS, MA Ottawa Univ., Cert. Sr. Professional in HR Cert.; Asst. Dir., Recruitment & Retention, The Univ. of Kansas Hosp. at KU Med, B131 Bell Hospital, 3901 Rainbow Blvd., Kansas City, KS 66160, 913 888-4416; r: 771 Canterbury St., Prairie View, KS 66208, 816 699-7291; *ward2@kumc.edu*
What's Been Happening: Upon graduation, I worked as an Auditor and Credit Specialist for Kwik Trip Stores in La Crosse, WI, until I relocated to the Kansas City Metropolitan Area in 1989. I have worked in Human Resources since my transition to Kansas City in 1989. Currently, I'm the Assistant Director of Recruitment and Retention for The University of Kansas Hospital at KU Medical Center, a 500 licensed bed facility employing 4,500. I have been with KU Med for 7 1/2 years. I am in charge of Labor Relations, Employee Relations and Recruitment and have 12 direct reports, 9 exempt and 3 non-exempt. I obtained my Senior Professional in Human Resources (SPHR) Certification from the Society for Human Resources Management (SHRM) in 2001 and my Masters Degree in Human Resources from Ottawa University (OU) in 2002. I also serve as an Adjunct Faculty Member, teaching Organizational Behavior and Human Resources Administration, at OU. I have a wonderful family in my life and 2 kids (Beagle variety) that are truly part of the family. I still see my UWL Phi Gamma Nu Big Sis from time to time when I'm back in La Crosse visiting my family and although I'm a KC Chiefs and KU Jayhawks season ticket holder, my heart belongs to the Indians (Eagles) the Badgers and the Packers. I'll be in Camp Randall for the Ohio State game October 4th and in Lambeau to see the Packers on October 5th.

What's Been Happening: Residing in Tempe, Arizona since 1996. Have a son named Tyler who is 15 years old, loves sports, video games and hanging out with his friends. My Daughter Marissa is 12 years old and is a wonderful young lady who has a heart of gold. She enjoys her friends, sports and watching TV. I have started several technology companies while in Phoenix area and have sold them to a NYSE conglomerate in 2007. I now work as an Executive VP for the company that bought my businesses.

What's Been Happening: Hello everyone! Since leaving LaCrosse, I have been involved in banking, specifically business banking and bank management. I am married to my wife, Anne for the past 15 years. We have two great boys, Devon (11) and Nicholas (7). The boys are very active in just about everything and are a lot of fun to be with. We enjoy our time together at our cottage, active in most things water related. I am still active with UW LaCrosse serving on the Alumni board as the Madison Rep. and am also on the Finance Committee. I recently started a business bank in DeForest, WI. DeForest is slightly north of Madison. The bank is doing well - better than projected!

What's Been Happening: Since graduation we have moved several times for my husband's career, including KY, KS and IL. We have three teenage children. I love working as a PT in our local school district. I'm very thankful for my profession as a PT and for the education and experience I received at UW-LaCrosse.

What's Been Happening? I earned my MBA from Marquette University in 1997 and prior to that earned a Bachelor of Arts in Psychology from the University of Wisconsin at Green Bay and a Bachelor of Science in Business Administration from University of Wisconsin-La Crosse. I also attended the University of Antwerp in Antwerp, Belgium, where I studied International Business. I am a member of the CFA Institute and Milwaukee Investment Analysts Society. My background includes teaching finance, investment, financial institutional management, marketing, and e-business courses since 2002 as well as managing a large college based mentoring program. I have 17 years of experience in the areas of investment management and financial data processing. I served as the President and CFO of a Wisconsin-based investment advisory and financial planning business. I also was a portfolio manager for 6 mutual funds and numerous private client accounts and was a registered investment advisor (RIA) at several other major investment firms. In addition, I worked as a product manager for a large financial data processing firm. I am an advocate of socially conscious investing. I am currently an Assistant Professor of Finance at Marian University in Fond Du Lac, WI.

What's Been Happening: After twenty years in the corporate world, I have begun my fourth year as a first grade teacher in the East Baton Rouge school system. My husband, Christopher, and I are the proud parents of two daughters, Hayley (11) and Mallory (8). We remain devoted (obsessive) Packers and LSU fans and love the opportunity to entertain friends, family, and visitors at our Mound Hounds Trite taigate for each LSU home game.

What's Been Happening: Todd Larsen and I have been married for 20 years this past October 2008. Our oldest daughter, Brynn attends Northern Michigan University where she earned an athletic scholarship in the sport of Basketball. She will be majoring in Personal Fitness and Management or Physical/Health Education with a coaching minor. Our youngest daughter McKenna is in the 7th grade at Oconto Falls. I have taught High School Physical Education for 23 years at Oconto Falls High School. I am also the head Volleyball and Softball coach. I have won several conference titles. Regional Championships and Sectionals twice as I led my team to the WIAA State Tournament in 1998 and 2008. I am 1 out of 6 coaches in Wisconsin to have over 500 match wins. Softball brings many Regional titles and 1 Sectional Runner-up in 2008. My husband Todd is a head dispatcher for a concrete business called Green and Good Concrete in Green Bay, WI. Our family resides in Oconto Falls, WI. My favorite memories are participating in Softball and Field Hockey while at UW-La Crosse. My college professors were all great in the Health and Physical Education Departments. I often wonder how many are still around. I also wonder where all my roommates are!

What's Been Happening: Drake Hall was home for me for three years in the 80's. It's also where I met lots of wonderful friends and met my husband, Marc. So I'm hoping this new alumni mail will bring some of us back together. Marc and I (Susan Hawn Parent) have 3 boys, ages 6, 11, and 14. We live in NYC for 15 years and now enjoy country living in eastern PA. Marc is an author of 3 books and now writes a regular column for Runners World Mag. I am a 5th grade teacher at Moravian Academy. Life is really, really good!

What's Been Happening: After graduating from UW-L, I accepted a position in the corporate world as an accountant. During this time I was also married to my husband, Todd. Ten years had flown by and I decided I was up for a career change which found me as a Business Instructor at BTHS. I'm entering my 12th year of teaching and really love working with my high school students. My husband has just entered his 25th year in the insurance industry. We have been blessed with two children: our son Jackson who is currently in 8th grade and our daughter, Lauren who is in 3rd grade. Both of them keep us running with schedules! Jackson is an avid fisherman, golfer and sports fan. Lauren is very much into horseback riding & showing, along with soccer and playing the piano. Both are active in our local swim team. As a family we enjoy golfing, getting out on the river fishing, boating & skiing along with many travel adventures. Hello to my former Coe High 2B and 4A floor mates. Would love to hear from you!

What's Been Happening: I am thankful for the specific but broad education I received with my NMT degree. After I graduated from UW-L, someone asked me if a degree in NMT was too specific or career limiting. Well over the years I transitioned from a staff tech to Program Director of St. Mary's School of Nuclear Medicine Technology and Diagnostic Ultrasound (in Milwaukee) to running a contract research organization (CRO) that conducts clinical trials on behalf of pharma, biotech, device and nutraceutical companies. It's amazing to me how frequently I run into people across the country associated with clinical research that began their careers and an CNMT! SO, as we all know, a degree in NMT is just the beginning of an awesome career. Thanks for keeping in touch! Other than my career, I married my husband in 1988 and we have 4 beautiful children (19, 18, and twin 14 year olds!) The alumni newsletters are fun to read, although for those of us with kids now in college, it forces us to reflect on where we've been and where we're going!!

What's Been Happening: I have been the VP/GM for Hillsboro Equipment, Inc. for over 20 years. We operate John Deere dealerships in Hillsboro, Mauston & Reedsburg, WI. Our family started in September 1992 when Pat and I were married in Valley, WI. We lived in Reedsburg for a little more than a year then moved to Hillsboro, WI. I was blessed again in 1994 when our daughter Kelsey was born. We moved to our present home outside Hillsboro in 1999. Pat and Kelsey are best buddies and it's a challenge to keep up with the women of the house. We are involved with church activities in Valley and Lions activities in Hillsboro. I have been a WIAA basketball referee for nearly 20 years. I very much enjoy the outdoors and family outings. I often think of times spent at UW and the friends who made it special.

What's Been Happening: I have been living in California since 1986. I am a married mother to 4 children, one in college, 2 in high school and one in elementary school. Life is busy, as anyone with teenagers knows. I am currently teaching science and technology at the middle school level. This is my 7th year at this position. I would enjoy hearing from friends from my days at UWL.

What's Been Happening: me no days at the University of Wisconsin La Crosse I've had many wonderful experiences. I've worked as a recreation director at one of the resorts in Walt Disney World in Florida. I've traveled to Europe and South America. I opened up a business in Argentina and am currently a independent contractor back in Wisconsin. Yet out of all my experiences the one greatest joy is watching my son grow up. His name is Tyler and he is now nine years old. He is the best thing that has ever happened to me and though nothing can compare to being a father, being a student at the University of Wisconsin La Crosse also ranks very high on the list. Thanks UWL and to all of my friends from the 80's. From Drake to Huth (especially my R buddies) from on campus to off, from the classes to Fourth Street, from the winter carnival to the MDA dance marathon and so much more... I remember you all and the memories will last a lifetime

What's Been Happening: I am currently a teacher in the Milwaukee Public Schools. I teach high school art. Since LaCrosse, I have gone back to school many times and have a license to teach art and special education. I am married to Derek who is a graphic designer. I still play many sports including ultimate frisbee and volleyball. I have so many wonderful memories of LaCrosse that it would be hard to write about just one. I would have to say some of the best times though were at Oktoberfest in the beer gardens when it would "rain" beer.

What's Been Happening: I was married to Tim Yanchack, an attorney, in 2005. I live near my brother and his family, which includes my two young nieces. I still run and do triathlons. I was on the USAF 100K team from 2001-5, and traveled to the World Cup 100K with the team. In 2005 we, as the US women's team, won the Gold Medal. I am now training for Ironman Distance Triathlons. Two training partners, John Selbo and Dean Thompson, are also UW La Crosse Alumni. I work as a staff psychiatrist at Mendota Mental Health Center and the Mental Health Center of Dan County in Madison. I enjoy hearing from my former teammates at UW-La Crosse and occasionally get a chance to meet up with one or more of them, which is just fantastic!

What's Been Happening: I continued to work as a Medical Technologist after graduation (1986), living in Minneapolis, back in LaCrosse and now in Lodi. I married in '89, and we have raised a large family (and yes, I no longer work outside the home) of six children. I've dabbled in the world of business as a Creative Memories consultant, but at the time I enjoy teaching piano part-time and volunteering in our church and at our children's schools. As the children age and I find it more time again, I have been able to renew my interest in painting, which has been very rewarding. At the time I have one of my prints in the local gallery and I hope to add to that collection in the future. The "what now?" question I had after graduation is slowly being answered...probably not the way I would have expected...but better...much better!

What's Been Happening: My wife Kate and I have been married for 13 years. We have three wonderful children, Lily (12), Sam (9), and Ben (9). We enjoyed camp together as a family. This summer we visited Glacier Waterfront International Peace Park. Three years ago we all went to the La Crosse early in the morning on our way to Yellowstone NP. We all still laugh when Benjamin says "French Island" in a funny accent

What's Been Happening: I am employed by the Robertson Marketing Group in Salem, VA, one of the country's premiere marketing solutions companies that primarily services Fortune 500 firms across the country. My primary focus is in the area of New Business Development, but I also serve existing clients like CBS in New York, Aetna Healthcare in CT, and several other national firms. In my spare time, I enjoy volunteering with the Miss Virginia Scholarship Program, where I love my roles as Director of Marketing & Fundraising and Director / Producer of the telecast. Miss Virginia is one of just a few state Miss America prelims still televised LIVE across the state every June. Me and my 13-year-old son, Matthew, happily reside in Roanoke, Virginia.

What's Been Happening: I had my first experience in marketing research as a UW-L student participating in a campus-based marketing research organization. I've continued to grow in the discipline ever since. I am now approaching my 10-year anniversary as an independent marketing research consultant to the pharmaceutical industry. Its challenging work that I love. My profession has allowed me to continue learning every day, to support my household comfortably, and still have the flexibility to focus on my #1 personal priority, my son. As a bonus, my career has also taken me and my family to many places around the globe that I had previously dreamed of visiting, including a year-long assignment in Japan that we just returned from. I am living the life I'd hoped for -- and worked towards -- while I was a UW-L student.

What's Been Happening: After graduation I worked as a software engineer from 1986 until 2003. I was extremely fortunate to have the opportunity to work in the Silicon Valley during the internet boom. As an employee of Netscape Communications I participated in the development of the Netscape browser as well as other internet applications that enabled the birth of e-commerce. It was an incredible ride. My husband, two children and I moved back to Wisconsin in 2003. We were very happy to leave the craziness of Silicon Valley behind and move closer to family, great schools and homes with actual back yards. I am now running my own e-commerce business - SolVici Glass (www.solvici.com) - and spending time with my kids. Some of my favorite memories of UW-L include: - when the first PC lab was installed in Wing Communications - winning two NCAA Div 3 Women's track championships (1983 and 1984) - track practices, meets and parties - frosted animal cookies - terrific friends and good times

What's Been Happening: I graduated from UW-LaCrosse in May of 1987 with a Bachelor of Science degree in Therapeutic Recreation and a Minor in Psychology. I have so many wonderful memories of my education at UW-LaCrosse. I also have fun memories of the infamous Third Street Renumer Buffets! I bartended there for two years. Shortly after graduating from UW-LaCrosse I moved to Pembroke Pines, Florida. In 1990 I moved to Naples, Florida and I continue to reside there. I have been married to my husband Tom for 15 years and I have a 12 year old son, Taylor. Although I have not worked in the field of Therapeutic Recreation for over 15 years, the skills I acquired while at UW-LaCrosse have allowed me to be a successful professional.

What's Been Happening: I have worked at 3M in the Finance area since graduation (21 years). I have two sons, fourteen and twelve. I stay very busy with parenting, work, and maintaining my house. In my limited spare time, I like to ski, scrapbook and play volleyball. I treasure my college memories. It was truly a very special phase of my life! I think of the friends I made often and hope they are doing well!

What's Been Happening: After graduating from UW-L I moved west to Colorado. I got married in 1991 and bought my own business in 1997. In 2004 I sold my business and semi retired. I live in Arvada, CO with my wife and 2 children. We spend a lot of time at our lakefront lodge in Grand Lake, CO either boating, fishing, snowmobiling or skiing. Grand Lake is one of the few places where snowmobiling is not only allowed on town streets, but encouraged. My passion is archery hunting here in the states and around the world. I am also involved with Real Estate investing and really enjoy buying and selling properties. Colorado is absolutely a great place to live but my family and I always enjoy going back to Wisconsin!

What's Been Happening: After graduation, I took a job in Miami, FL as an Aquatic Director for 5 yrs. I went back to School at Jackson Memorial School of Nursing/University of Miami and became an RN and took a position at Miami Childrens Pediatric Intensive Care Unit. I continued at Childrens as a PICU RN until I was hit by an SUV while riding bike on a sidewalk. I am not currently working, due to numerous surgeries. I am married, and have 2 daughters - Summer Savannah and Sydney Sierra. We are currently residing in MN, with plans of returning to Florida very soon.

What's Been Happening: Since graduating UW-L in 1987 God has blessed my life in so many ways. I have been fortunate enough to find a fantastic wife - Lisa. We started the new millennium on a great note; getting married on January 1, 2000. Since then we have enjoyed volunteering together for Golden Retriever Rescue of Wisconsin www.grow.org and I have been fortunate enough to serve as Vice President and President of our church council. These experiences have been priceless not only in the philanthropic efforts of these organizations but also in the area of personal development. The experiences have transferred into our career success and the overall quality of our lives. Of course, like all of you, life has not been all roses, I have endured car accidents.

chronic pain, illness, etc. through it all I have been able to keep a positive outlook. Thanks to my faith in God, and a great network of family and friends, I have been fortunate enough to come back stronger after every trial. Part of my success has been due to the foundation formed in my years at UW-La Crosse. Thank you to all of you whose lives helped shape mine.

What's Been Happening: Since graduation, I have worked with Virchow, Krause & Company where I am currently an audit partner in Appleton. Wisconsin. I have married to Megan for 13 years. Our kids are Casey (19), Jackson (10) and Cassidy (7). Casey is in the National Guard. Jackson is in Cub Scouts and Pop Warner Football. Cassidy is in cheer-leading, softball and Brownies. I serve on two not-for-profit boards, a couple of committees, am the Cub Master for the Cub Scout Pack, and I'm an assistant coach for Jackson's Pop Warner Football team. I also march each year in the Oktoberfest Parade with the Marching Chiefs Alumni band. Megan is a stay at home mom and helps out at the kids school.

What's Been Happening: I'm living in Helena, MT with my four kids (Russell 14, Duncan 13, Sage 8, Grant 6) We love skiing, camping, swimming, rafting, and just hanging out as a family. I work as a dispatcher for the MT Highway Patrol and have been with MHP for five years. I have fond memories of my years at La-Crosse. My freshman year in Hutch Hall, my 2nd year as an RA in Angel Hall, and my last two years in Wentz Hall as an RA and Desk Manager. My experiences in college will be with me for a lifetime. I would enjoy hearing from anyone who shared these memorable days with me. May hope and prayer is that your Higher Power guide you through each day of your life.

What's Been Happening: Deb (Beck 88) and I married in '91 and busted a move for Colorado in '98, making the small mountain town of Durango our home. For the past decade now, we've been living a life full of fun and adventure as we raise our two girls - Alison and Lucy. We're surrounded by mountains and not far from the high desert. While not playing my trade helping to develop Durango's parks, open space and trails system, me and the girls fill our days taking advantage of this gorgeous part of the world referred to as the Four Corners. World class mountain biking and slung, hiking, camping, river trips, ancient culture, inspiring landscape, awesome weather - it's all here and we're totally diggin' it! Life is short, embrace every moment...

What's Been Happening: After I graduated from UW-L with my elementary education degree, I taught grades 4, 5, and 6 at Oakdale Elementary School in the Tomah school district for 6 years. I then taught 8th grade math for 3 years at Tomah Middle School. During that time I was getting my master's degree in school counseling at Winona State. I have been a school counselor at Tomah Middle School for the last 12 years. This year will be my 22nd year in education. I have been happily married for 21 years and have a 17 and 14 year old daughter, and a 12 year old son. I have done some wonderful traveling. Some of my highlights are Russia (visited their schools and stayed with a principal), Vietnam, the Caribbean, and Alaska.

What's Been Happening: I married Jesse Johnson, a fellow Nuclear Medicine Technology alumni. We have three daughters, Danica - 15, Paige - 14, and Mansa - 12, who are very active in sports, therefore making the juggling of our daily schedule quite interesting. I am currently the Program Director of the NMT Program at St. Joseph's Hospital in Marshfield, WI, which is affiliated with the UW-L NMT Program. So, I work closely with Dr. Jeff Bryan and other fellow UW-L alumni.

Jesse is currently a sales rep. with Covidien, a radiopharmaceutical supply company. His territory includes Wisconsin, Iowa, Indiana, Illinois, Nebraska, and the Upper Peninsula of Michigan, so he is also able to keep in contact with many UW-L NMT alumni. We enjoy watching our children's volleyball, basketball, hockey, & softball games and traveling when we can find some free time.

What's Been Happening: Love living in the Twin Cities of Minneapolis / St. Paul since leaving UW-L I own and run a career consulting practice which helps mid career professionals plan and manage their careers. Have many great friends and associates. Love to take in all that the Twin Cities has to offer. Travel annually to great places like Europe, Alaska, Hawaii, Caribbean, Banff. Do lots of volunteering and sit on the Board of Directors for a non profit organization that provides housing for homeless families. Favorite UW-L memory is of great times with great friends.....and Rocky Rocco pizza :)

I have been happily married for 10 years, to my wonderful husband, John. I am also a little stepmom to my 19 year old stepdaughter and my 17 year old stepson. I live in Santa Cruz, CA and enjoy biking, ocean swimming, weightlifting and other hobbies such as quilting, gardening and baking. Life is Good!

What's Been Happening: I totally enjoyed my college years at U W La Crosse. Excellent professors, a beautiful location, Marching Chicks, Basketball/Track, wonderful friends, lots of studying, and late night DJ's don't runs with friends are some of my most cherished memories. There is just something special about those bluffs, top Bob and I both graduated from La Crosse and took our first teaching jobs in Clintonville Wisconsin. Can you believe we are still in Clintonville, after 20+ years? Bob teaches US History, International Relations, and US Government at the high school; I currently teach elementary physical education and high school weight training. Bob coaches football and helps with girls basketball. We have three children: Megan (16), Kyle (14) and Tyler (10). As a family, we love sports of all kinds, traveling, camping, fishing, water skiing. As teachers, we love summer vacations, so that we can spend time together as a family! Thanks, UW La Crosse!!!!!!!

What's Been Happening: I live in Dodgeville with my husband and 2 children. We own and operate a kitchen design and home supply center in Dodgeville. We've also been active in land development in our community. For many years, I was a stay-at-home mom. Now that our children have grown, I have taken up substitute teaching and have become involved in the People To People Student Ambassador program. Through People to People, I have taken high school students to many interesting places around the world. It is always an adventure to meet new people and visit new places, though I will never forget the great times and wonderful friends I made while at UW-L!

SLATTER, Elizabeth A.; BS: P: N2594 Oak Ridge Rd., Brodhead, WI 53520, 608 966-3050

SLATTER, Mrs. Trudy E. (Trudy E. Kiemp); BA: Crisis Psychiatric Technician, Rock Cnty. Human Svcs. Crisis Intervention Unit, 3530 N. Cnty. Trunk Hwy. F, POB 1649, Janesville, WI 53547, 608 757-5025; P: 4530 Heathridge Dr., Janesville, WI 53546, 608 563-1976; David; Joshua, Lydia; trudes003@aol.com

What's Been Happening: Married in 1991, visited the Caribbean and parts of Europe prior to children. Have since traveled to Florida several times, California, New York City, and Colorado. I currently have been employed with Rock County for 14 years and have been in the Crisis Intervention department since 2002. However this may be changing as my spouse is facing a possible transfer out of state within the next year or so. With this we are preparing to sell my parents' home which we've been living up over the last couple months. Hopefully if a change occurs, it will be to a warmer climate. The fondest memories at UW-L were the 1985-86 school year and all the friends I had then. Oktoberfest comes to mind as well as many memories hanging out in the dorms. That much fun should have been illegal!

What's Been Happening: Hello Everyone: Since I have left the beautiful campus in La Crosse, I have pursued my dream of becoming an actress, indie film co-producer, a model, a vocalist, a writer, and all-around artist. When I first graduated, I worked as a controller for more than one company/firm. I purchased a lovely home and I had some international travel adventures. I pursued my creative ventures on the side, but I had a dream of being able to be a full-time artist. When I married my husband, Mark Tucker, that dream began to come true. I am grateful to God for all He has allowed me to become and to accomplish. Hope to continue growing and developing my skills in the arts. Should any person decide to contact me, I will be happy to provide to that person my url to my YouTube Channel and my other web sites. I think you will enjoy my films, my photography, and my portfolio via the internet. I hope to continue to make films that help to make this world just a little bit more of a pleasant place for all who view my films. God Bless.

What's Been Happening: Since graduation in 1987, I have had a number of adventures, all which started with my UW-L mass communications degree. After graduation, I headed out to the prairie of southwestern Minnesota and spent six years as a general reporter and sports editor of the Sleepy Eye Herald-Dispatch. It was a great experience, back in the day where we developed our own film, printed all our own photos, and laid out pages by hand. After doing a story on a Minnesota guardsman, I was convinced to become all I could be and enlisted in the Army Reserve. For three years I was the public affairs specialist for my unit at Fort Snelling, MN. In 1993, I decided to try the military full-time, armed higher, and joined the US Air Force, receiving my commission in 1994. After six years as a weapons controller and air battle manager, including tours of duty in South Korea and Florida, I decided to take my military experience back home and accepted a job as a customer trainer at Lockheed Martin in Eagan, MN. Since then I have been privileged to work numerous international defense contracts, and with that has come some amazing travel opportunities. My work has taken me throughout Central and Eastern Europe, Asia, and South America. And, of course, among the most memorable trips have been the two that led me to Munich, Germany, for Oktoberfest. The beer tents brought back many memories of La Crosse in the fall!

What's Been Happening: I have been the Earth Science, Geology, Advanced Geology, Astronomy, and Environmental Science Instructor at New Berlin (Wisconsin) West High School for the past 31 years. I have won several "outstanding teacher" awards during this time, but the highlight was being the national runnerup for the Outstanding Geoscience Teacher of the Year in 2004 by the American Association of Petroleum Geologists. I came in first of the Mississippi River, but lost at the national level to a dude from California.

What's Been Happening: Hard to believe that it has been 20 years...My days now are full as a mother of four (ages 14, 12, 10, 8). My husband and I have back to our home town of Marshfield 10 years ago. After 11 years off to be a full time mom, I am currently working in our children's school with the 4K program. As with my marketing, I am very active with our auction program that we run each spring. I do mess the friends and fun times from La Crosse but look forward to my kids going in that direction in the next 4 plus years.

What's Been Happening: I am married to a wonderful woman, Katie, who is a teacher, and have four children - Dillon, Ethan, Natalie, and Logan. Since graduation, my career has led me to being a General Manager of Best Buy stores throughout the country and now sees me as the National Sales Manager for American Seeds Inc., a division of Monsanto Company. My most fond memories are of my friends through Delta Sigma Pi, the professional business fraternity. The great times we had as a group as well as the individual relationships that we formed will always be the biggest part of my remembering UW-La Crosse. I hope each of you reading this will remember those times and that those memories put a big smile on your face...just like old times!

What's Been Happening: Since graduating from UW-L I married my high school sweetheart, and also a 1988 graduate of UW-L, Chris Lee. Together we have three daughters, Brittany is a freshman at the University of Minnesota, Mankato. Laura is a sophomore at Onalaska High School and Carissa is entering sixth grade at Onalaska Middle School. Our family enjoys spending time on the river and vacationing up north during the summer months. During the school year we enjoy attending our local high school sports activities and watching our children and their friends participate in their preferred sports. I continue to substitute teach for our local school districts along with volunteering my time at our girls schools and our church. We truly enjoy living in the Coulee Region and plan on staying as our family and friends are also very important to us.

What's Been Happening: I've been working at Mayo Clinic since college and actually had my 20 year anniversary at Mayo this month! It a great place to work and I've been able to have 4 different careers here and am currently a Statistical Programmer Analyst. I am married with one son who just started Kindergarten this month. My family spends a lot of time on the water at our lake home as well as enjoying many sporting activities.

What's Been Happening: Hoping that some old friends read this, class of 1988 in Social Work extends to many with staggered graduation times. I have had the same position of Social Worker in a small hospital and nursing home in western Minnesota since shortly after graduation, married a local farmer and we have three daughters. Life in a rural area is good, except for distances to get to good shopping, high school in 25 miles away and the spread of the kids' friends and sporting events. Working with the elderly is definitely my thing, with the paperwork would lessen rather than grow for more quality time with the people. Kids range from 8 to nearly 16 now and we run a lot with their activities. I will need new hobbies when they all grow up. We also enjoy having a lake home on the MN/SD border, Big Stone Lake.

What's Been Happening: After working in the pharmaceutical industry for 7 years, I decided to leave my job and stay home with my 2 boys, Alex and Austin. That was 12 years ago! They are now 14 and 18. After dabbling in Interior Design for 7 years, I decided to go back to school to get my degree in Interior Design. I have started my own design business, working part time and attending school part time. In addition, I coach junior high track and field in the spring. They inspired me to give Masters Track a try. This past season, I ran at the National Championships in Spokane, WA and finished 3rd in the 400 and 4th in the 800. All you cross country and track alumni, give it a try! It's so much more fun in your 40s! My husband and I have been married 20 years and he has been so supportive of all my endeavors, cheering me on helping me to succeed.

What's Been Happening: I have been married to my husband Dave for 13 years. Together we have three beautiful girls. Grace, age 11, Ellie, age 9 and Maria age 7. They keep us busy with school, sports and all their other activities. I have been working with Wells Fargo for over 18 years most recently as a part time Communications Consultant in the Institutional Trust division. I enjoy being able to get away from the house and the flexibility the job offers.

What's Been Happening: Lots of changes have occurred in the 20 years since I graduated from UWL. I had a 10 year career in Human Resources management following graduation. I was an HR Manager for several companies, in addition to being the Benefits Manager at the corporate office of Moore. I temporarily retired this career to take care of my four young children. I lived in the city of Chicago for 10 years, and moved to the suburbs after having four daughters. I have twins which keep both me and my husband very busy. All of our children are at the elementary school age and we are very involved in their day to day lives. Life is good!

What's Been Happening: Since college, I relocated back to the Twin Cities, met my wife and started a family. Pretty pretty for the most part, but I have been blessed with considerable travel opportunities including two trips to Australia and numerous trips stateside during my early career path. I have recently moved from a Director of Customer Service role into outside sales selling performance flooring. I truly enjoy the challenges and benefits of working for BASF in today's difficult economy. My education in LAX was about people, life and the relationships we build. I use it everyday. CMB

What's Been Happening: I have been a PE/Health teacher and athletic trainer at Southeast High School in Bradenton, FL, for 19 years. I have been married to Daria for 11 years. We have two daughters Jordyn and Jayci. Jordyn, 9, is a very good student and Jayci, 7, has been competing at level 4 USAAG gymnastics. In the summer of 2008, I was one of two athletic trainers to travel to Hollywood for the Stambal season. Our family likes to vacation in Tennessee and Key West. My hobbies are my family, watching football on weekends cheering for former students, bicycling, and the Saints.

What's Been Happening: I live with my wife Ellen (76) on Grout-Hollow Farm near Stoddard, WI. I have been teaching high school language arts at De Soto High School since the fall of 1990. I also write a weekly newspaper column titled "Grout-Hollow Journal." Going back to UW to get my teaching degree in the summer of 1986 was the best decision I ever made - except for asking my wife to marry me. Ellen is the Technical Leader of Automated Testing and Chemistry at Gunderson Lutheran. We travel several times a year to visit our sons, Ben (30) and Mark, who live in the mountains of Colorado where they ski, snowboard, hunt, fish, play music professionally, and work in landscaping and real estate management. I hope to retire from teaching in the next five years and go back into the wedding photography business and fish and hunt and write.

What's Been Happening: I have very fond memories of all the people I live with in La Crosse, especially my roomies! My husband Jon and I will be married for 19 years this year. He works in sourcing and buying at Grainger in Lincolnshire, and I teach 5th grade at a fine arts magnet school in Wauegan. In 2003, I got my master's degree from Lesley University in creative arts curriculum. We have two wonderful daughters, Natalie and Olivia. Lisa is finishing up grade school this year and Nat is starting to look at colleges. They are having a ball with all their activities from dance to marching band to sports. It's going to be fun to catch up with everybody. Everytime I smell brats and sauerkraut, it takes me right back to Oktoberfest. All that's missing is my rugby shirt drenched in beer!

What's Been Happening: I am happily married to my wife Kelly. We were married in June of 2001. In 2005 we had our first child, a daughter, Jordan. In 2007, our son, Brandon arrived. They are wonderful kids and keep their parents quite busy. I am working for IBM as a software engineer. I am current doing web-based application development work with a focus in user-interface technologies. My wife Kelly works for the Mayo Clinic. We live in a small town just north of Rochester, Minnesota. Before kids, I actively enjoyed motorcycling and snowmobiling. As known during my Hula Hall airband days, "Sound-man James" still enjoys listening to music. I am also a home theater/movie enthusiast. Recently I've taken up bird watching with a good friend. The highlight for my bird watching was a guided 3-day expedition through the rain forests of Costa Rica. Just myself, my good friend and a guide. It was spectacular. My wife Kelly and I went on a fantastic trip through Guatemala with a group of friends. We look forward to resuming our travel interests once our children are a bit older. I have a lot of great memories from my LaCrosse days. My first two years in Hula Hall were an absolute blast. Working as a RA in Wentz Hall was a rewarding experience. Academically, I received a great education and I am especially appreciative of the relationships I had with my computer science professors.

What's Been Happening: I'm a Creative Flavorist, also known as a Certified Flavor Chemist, at Kraft Food Ingredients, a division of Kraft Foods in Memphis, TN. I earned my certification from the Society of Flavor Chemists in 1995 after 7 years working in the flavor industry. I was a Music student my first two years at UWL and I continued on to earn a BSc degree in Chemistry from UWL. This combination of creative skills and analytical skills have served me well in my pursuits as a Creative Flavorist. Designing flavors is interesting, rewarding, challenging and tasty (as Dr. A would say)! I still play the trumpet on the occasional gig my husband and I did up. My stepdaughter Meagan is excited about graduating in November 2008 from Paul Mitchell - The School here in Memphis. My husband James is a retired Navy Chief Musician and now works as the Business Services Manager for Orgill, Memphis' oldest business and one of the largest privately held hardware wholesale distribution companies in the US. I'm currently the President of the River City Bimmers Chapter of the BMW Car Club of America.

What's Been Happening: After graduating in December of 1989, I moved back home and met my husband, Dean, that spring. We were married the following October. In 1992, we had our first child, James Dean, and had a baby every 2 years until 2006. That's a total of 8 children who currently range in age from 2 to 16, I have taught and/or coached every year since graduation (most of which has been part time or as a volunteer at my children's schools). I love being a full time wife and mother. I am looking forward to reconnecting with UW-La Crosse alumni.

What's Been Happening: We have been blessed by UW-La Crosse preparation in the Physical Therapy program of the late 80's, and what we have been allowed to build on that foundation. Since leaving UW, with our first daughter Kassie we added three more children including our now oldest Kylie when we adopted when she was 13 (in 1997), and she has since blossomed with our first grandchild-Jackson. After working in Atlanta for about a year we returned to Rhinelander and have steadfast partners in a multiple site practice which my wife and I started in 1994. We continue to add qualified partners that share the vision of a perpetual private practice in Physical Therapy that is owned by the providers who wish to give it life! We really enjoy our life in the Northwoods surrounded by faith, family, and friends. Perhaps even more so as our regional airport leaves us four hours away from about anywhere in the country!

What's Been Happening: Upon graduating UW in 1989, I lived a short time in Santa Cruz, CA before moving to Taiwan to teach ESL. After a short time there, I relocated to Vermont where I taught Social Studies for 11.5 years at Green Mountain Union High School in Chester, VT. I also coached several sports there at the middle, JV, and varsity levels. Most noteworthy of my coaching experiences was consecutive division III boys state titles in the mid 1990's and one girls title during that time. Also during that time, I worked as a consultant for NewsBank, Inc. to procure a collection of historical primary source documents and to promote an on-line subscription product called "The Curriculum Resources", both products to be sold to schools. Further, I presented once at the Vermont Alliance for the Social Studies and three times at the Vermont Hampshire Council for the Social Studies on the incorporation

of electronic media into instructional practice. I also traveled to China with a group of VT educators to study Chinese educational practices and presented once on academic freedom in the classroom. For the past six years, I have taught middle school Social Studies at Chesterfield School in Chesterfield, NH. I am also blessed with two exceptional daughters, one who will be a junior at Occidental College in Los Angeles and the other who will be a freshman this fall at St. Lawrence University.

What's Been Happening: Did my student teaching in Milwaukee in the fall of 1989 and never left. I have been teaching in the same alternative high school since January 1990. I married Rodney August in October 2003 and have two children: Dorci born Walker in 2004 and Jarod born December 18, 2007. Miss the beauty of the Coulee region and hope to return soon.

What's Been Happening: Using my experience as Racquet editor as launching pad (we all have to start somewhere), I continued my journalism path as a reporter and news editor at daily newspapers in Menominee, IL, Chippewa Falls and Wisconsin Rapids. I am now working on magazines and multimedia projects for Krause Publications (F+W Media) in Iola. I am happily married to Jim, another former "muck" have two teenage stepsons, Casey and Clay, and an amazing 10-year-old son, Carter. We live in Wisconsin Rapids.

What's Been Happening: After my enjoyable years as a UW-L undergrad (visiting the Bluffs, performing as a member of the L-Bar-X Dancers, starting by Mr. D's too often!), I taught elementary school for nearly a decade, got married to a wonderful man, completed an MA in educational psychology and had a baby. While staying home with my son, I began writing articles on parenting and education, which led me to pursue a dream I'd had since childhood: writing a novel. After eight years studying the craft of fiction, four years as a national book reviewer and five full-length manuscripts, I finally sold my first woman's fiction project to Kensington Books. It's called According To Jane: A Novel About Pride, Prejudice &

the Pursuit of the Perfect Guy. It's about a modern young woman who receives dating advice from the spirit of Jane Austen (some good, some not so good...), and it'll be released in early October 2009. My second novel, also from Kensington, will come out in 2010. I have an author website (www.marilynbrant.com) and a blog I update regularly. I'm always thrilled to hear from UW-L friends, so please stop by!

What's Been Happening: Currently live and work in the Madison, WI area. Work for the State of Wisconsin Department of Health Services since 1999 as an Advanced Accountant. Have been with the State since 1997. Prior to the State, worked for the FDIC as a bank examiner and also at a community bank as a loan officer. Over the years I have bought and built 9 new homes and currently live in a beautiful home in Sun Prairie. I love doing yard work, gardening and home improvements around the house. In my free time I also like to travel, workout, hang out with friends and cooking. My favorite place to travel to and vacation is Maui, Hawaii. Since 2001, I think I have been there over a dozen times already. Enjoy the sun, sand and water there. Aloha!!!

What's Been Happening: After graduating in 1990 I attended graduate school at UW-Stout and earned my M.S. in Guidance and Counseling, with a certification in K-12 school counseling. I worked in central Wisconsin for three years as an elementary counselor before moving overseas with my first husband. We spent four years in Singapore where I was a middle school counselor at Singapore American School. We then moved to Santiago, Chile where I did college placement for two years at the International School Nido de Aguilas. In July, 2000 I returned to WI and met my second husband, remarried, and had our daughter Sydney in 2004. I worked for several years for Big Brothers Big Sisters of west central WI, and then began working at UW-Stout as an academic counselor beginning in 2003 to the present. I really cherish my undergrad time at UW and have many wonderful memories of great friends and great times there!

GILLES, Mrs. Sara J.; BS; Physical Therapist, 949 633-7114; r: Alsio Vige, CA, 949 916-8655; Kari Kraus; kranandsara@gmail.com

What's Been Happening: Since graduating, I moved out to San Diego for a few years, and then did 3 month travel PT assignments in Wisconsin, Colorado, Boston, Florida, and North Carolina. I was back in Wisconsin when I met my wonderful husband, Kar. We married 4 years later after moving out to Orange County, California. After working in outpatient orthopedics for years, I find that the skilled nursing/ transitional care setting is very rewarding. My husband and I both enjoy ocean swimming, road biking, running and sport of triathlon. I have completed in multiple Marathons and 5 Ironman Triathlons over two times in Hawaii. We also have a passion for real estate investing. We are very involved in our church and love to read enriching books. We often visit our families in Wisconsin and our many nieces and nephews. Our family has not been the same after I had two brothers die. Paul in 1992 and Andy in 2008 of unrelated diseases. God has blessed us in so many ways; with each other, with family and friends and a free country. We are very thankful.

What's Been Happening: I was fortunate to be hired by the De Soto School District shortly after graduation. In June of '96, I married my dad throwing partner. My husband Andy, also a '90 alum, is a teacher in the Alma School District, where he also coaches Track. Andy and I have been busy raising our three children, ages 9, 7, and 5. We are also very active with the Oktoberfest Grenadier Corps. I still march with the Alumni Band whenever possible - Marching Chiefs Forever! I keep myself active by singing and/or playing piano/klute within my local church choir. Whenever there is a free moment, I enjoy golfing, bowling, scrapbooking, and sewing. The best thing about being at UW-La was/is the life-long friendships I have made. Not just with other students, but with my professors as well. I still find their knowledge and insight useful in every day of my teaching. They also taught me a lot about myself. I don't think I would have had this if I had gone to larger university.

What's Been Happening: Wow... I can't believe the wonderful changes that are happening on campus. In today's changing world we need to stay at the top. I graduated with Health/Phy. Ed in 1990 and have been fortunate to be a principal at an elementary school in West Bend. My education at La Crosse will be one that I will never forget. My two children (11 and 7 years old) have already indicated that they want to attend La Crosse. It makes me proud to be an alumni!!

What's Been Happening: Since graduating from UW-La Crosse, I first began working in the commercial-insurance industry and then in the energy industry. Various jobs have caused many relocations. I have lived in Dallas, Chicago, Wausau, Minneapolis, Kansas City, Cincinnati and current position working for Duke Energy in Charlotte, NC. I have been able to stay married through all of these relocations and we have two boys. I miss the beauty of the La Crosse area but I sure don't miss the long, cold winters!!

What's Been Happening: Most of you remember me as Dewey from Coate Hall. These days it's back to Greg... and Dad. I married April Westphal (Class of 1991) in September of 1994, and we welcomed our first and only child, a son, Lorenzo, in August of 1999. I work and live in Janesville, WI, where our family has been based for the last 10 years. April is village administrator in Belleville, WI, my hometown. Lorenzo is my bodyguard, having attained his youth black belt in karate. I still watch the Packers on Sundays and, other than that, there's not much new except a few more pounds and a few gray hairs. Still, life is more than good.

What's Been Happening: After graduating in 1990, I accepted a Chemist position with Cargill in southern Iowa. During that time, I became part of their campus recruiting team. After 5 years of life in the lab, I decided to make a change - sold my home and returned to UW-M to obtain my MSEd. In the College Student Development program from 1996-98, From 1998-2000 I was Associate Director of Career Services at St. Norbert College in De Pere, WI, and in July 2000 began my role as Program Coordinator for Recruitment at the University of Wisconsin - Green Bay. I keep in touch with my Biology (Pre-Physical Therapy) roots through my part-time position as a Personal Trainer with the YMCA. Since 1996, I have been an active volunteer with the American Cancer Society, and am Chairperson of the 2009 Relay For Life of De Pere. "Go Indians! Go Eagles!"

What's Been Happening: Since my husband and I moved here to Mount Horeb in 1990, I have mostly worked in Madison. I started at Physicians Plus Medical Group which was then acquired by UW Health Medical Foundation. I enjoy my work as a Medical Receptionist even after 16 years in Internal Medicine, Infectious Disease, Travel Medicine, and Kidney Clinic. My experience during my internship at Gundersen Lutheran La Crosse has been very valuable. Madison is a fun place to work but the village of Mount Horeb is a great place to live. Madison is much like La Crosse and Mount Horeb is much like Sparta. However, I am glad to have gone to school at UW-La Crosse because the students at UW-Madison have such a huge community to work with. UW-La Crosse is such a wonderful "small" campus. Glad to be an Alumna.

What's Been Happening: Joined Caterpillar upon graduation. During my career I have held positions of increasing responsibility and am currently the International Accounting Manager. I work with approx 43 International facilities of Caterpillar Financial around the world providing US GAAP support. I have been fortunate enough to travel to a number of our facilities around the world. I recently returned from a 10 day pilgrimage to Israel with my mother and members of my church. My son now lives in Florida and has one daughter. My husband and I enjoy riding our motorcycles - I own and drive my own 2008 1200XL Harley Sportster. Looking though to upgrade to a Softail Deluxe. I enjoy travel, but also enjoy staying home riding the motorcycle and using my swimming pool.

What's Been Happening: I was fortunate to get my Masters degree at a time when several faculty members, Schindler, Curtis and Delort were teaching and interested in stress management, health and wellness. I continued my work in research on the topic of my thesis, increasing blood flow with assisted thermal biofeedback. My technique increased blood flow to the feet in folks with limited peripheral circulation. It led to the development of the WarmFeet® Intervention which has been successful in healing chronic foot ulcers in folks with limited circulation. My WarmFeet® Clinic after leaving La Crosse I settled in St. Paul, MN working at the University of Minnesota.

What's Been Happening: After graduation, I worked as designer in Manitowish and Madison area. Moved to Minneapolis and worked for McGraw-Hill companies as an Art Director for "Physician & Sportsmedicine" magazine. I continued to come back to La Crosse to race at the fairgrounds speedway weekly racing schedule and to win 3 Oktoberfest bull contests. Formed Forte Design and proceeded to participate in national design projects. Charles Schulz's doghouse statues and currently the Mail of America Dog Days of Summer. UWL gave the confidence and technical training to assist me in moving ahead on anything I want to accomplish in life.

What's Been Happening: I have been working and living in Onalaska for the past 11 years as a manager and therapist and have found this to be very rewarding. I have a thirteen year old daughter, Emily, 11 year old daughter, Stephanie, and 2 year old son, Drew. My husband, Steve, is a teacher in Wiroqua. I continue to stay in touch with my college friends and their families after all these years.

What's Been Happening: My wife, Janel and I have two boys who are very active in sports. We are living in the Twin Cities metro area. We spent 10 years in SoCal before moving back to the Midwest. I am an avid walleye fisherman focusing on the Mississippi River pools near the Twin Cities area. I am working for a growing national tools retailer (Harbor Freight Tools) based in Southern California as the Marketing Manager. I was fortunate to be able to bring my job with me to the Midwest as a "telecommuter." My staff and I are responsible for all aspects of the marketing program including budgeting, print and paper buying, program execution, circulation, testing and analysis, database marketing, postal issues, etc.

What's Been Happening: I have spent the majority of my teaching years with English Language Learners in Phoenix, Arizona. This year, I am starting a new Spanish elementary curriculum in the Paradise Valley School District. This is my 17th year as a full-time teacher. I am sorry and really disappointed to report that my marriage of 12 years recently ended in a rapid divorce. We still have 3 beautiful daughters - Stephanie age 10, and fraternal twin girls, Christina and Elizabeth ages 7. I am having an extremely difficult transition time to single life because most of my family still lives in WI. I really miss WI, specifically, its friendly people and warm atmosphere. Even though we experience burning hot temperatures here in Phoenix, many people are cold to reaching out to others, and many homes here have tall block fencing around them. I am thankful that I grew up in WI because I have retained my solid Midwestern values - all of which I am very proud. I hope to return to God's Country soon and feel at home and safe once again. God bless everyone!!! There's no place like La Crosse, WI in the whole world. I'm also thankful that I was a foreign exchange student to Valladolid, Spain.

What's Been Happening: It is always incredible to think how much of an impact UW-La has had and continues to have on my life and family. My father and my aunt both graduated from UW-La. I married another UW-La alum, Shelley, and we have two wonderful children together. Our oldest daughter, Samantha, is a senior this year and considering UW-La as she weighs her post-high school education options. Our youngest, Nathan, is going into eighth grade and active in Boy Scouts as he works towards his Eagle rank. Following graduation I attended Law School in Madison and eventually we found ourselves in my wife's home town of Merrill. In all the places we have been since graduation though, La Crosse remains the place that both Shelley and I say that we would like to return to. The time that we spent and the memories we built in La Crosse have helped to shape who we are today and we wouldn't trade the experience for the world.

What's Been Happening: After leaving UW my journey took me to Colorado where I have been ever since my wife, Stacy, and I have 3 children: Rhannon (10), Shayla (8), and Elia (3). I am teaching elementary p.e. and high school drivers education. 15 years now UW is a very special place for me and I would love to have alumni from my years there contact me. Very few days go by where I don't recall the friendships and adventures we had at UW.

What's Been Happening: I moved to South Carolina for a few months after I graduated, then moved to Dallas, TX for fourteen years. I got my masters degree in physical therapy in 2001 and am currently studying to get my manual therapy certification. I moved to Denver three years ago and spend most of my free time hiking in the mountains. I play competitive doubles volleyball and won the largest tournament in the nation two years ago. I love to travel, garden, hike, bike, and play volleyball.

What's Been Happening: Thinking about UW-L brings up many good memories from those past student years (nothing like WMCW-TV and Dr. Turner (!) but they are still with me in the present through the awesome college friends I made then and still spend time with today. Thanks UW-L for my education and for connecting me with some life-long friends! For those that knew me when and haven't seen me since, here's an update: I took my Mass Comm major and PolSci minor BS degree and went to Minneapolis for 7 years working in legal recruitment at an IP Law Firm, got married to a great guy in 1996, spent a year as the Asst to the Dean at Carleton College in Northfield, MN and finally circled back to the beautiful Coffee Region settling down over in Viroqua in 1999. I was the Office Manager for the weekly paper for over a year. I met my husband and welcomed our son in 2000. I was fortunate to be able to be a stay at home mom until he was 3.5 yrs old and in March of 2004 I started what has been a rewarding and challenging position at Organic Valley where I am a marketing program Manager today. In my spare time (!) I am involved in personal video production projects, and am a member of a local improv and theatre troupe. Don't hesitate to re-connect if you knew me then and want to connect now!!
